
The MG Car Club Southwestern Ohio Centre, was chartered by the MG Car Club of England in 1966. The club charter defines our centre's purpose as to provide a common meeting place for sports car enthusiasts in general—MG owners in particular.

The Club activities generally center around rallying, social gatherings, restoration and maintenance clinics, etc. Our approach to these activities is low key with the idea of enjoying the pleasant company of our fellow members. Our membership is drawn from all walks of life and whose automotive interest range from restoring the "T" series to road racing.
